

# Time Capsule

# What is a time capsule?

## What is it?

A time capsule is a container or box where you can keep pictures or letters for your future self.

## What will you do?

We will get some papers, letters and pictures of ourselves to keep in the capsule. We will keep it inside of it and bury it in a safe place. We will open the capsule in a few years and see how much we have changed.

## Which things you should put inside it?

- Pictures
- Newspapers
- Letters
- Hand prints
- Drawings
- Magazines

# MI HAND PRINT

*We will use our favourite colour and put our hand print in this piece of paper for our future self.*
