# NEW PERFUME

La Chica del Mono

A little girl once told me she had been having bad dreams  
but how far a dream can be from the reality  
she told me about turtles with new shiny necklace, they can't breathe no more,  
ice buildings falling letting me glimpse the black sea.

A little boy once told me he had been having bad dreams  
but how far a dream can be from the reality  
My parents told me that talking was not enough, "you can do it better"  
time happens fast and we have almost lost it all ... it's time to fix it!

All, tiny birds sing no more, the woods are burning,  
smell the breeze and tell me if you'll never love someone with this perfume,  
ashes' new perfume...

An old man once told me he had been having bad dreams  
but how far a dream can be from the reality  
Four degrees were enough to turn the earth into hell, we're dying  
this is the fool's game where nobody wins but our waste, it's time to fix it!

All, tiny birds sing no more, the woods are burning,  
smell the breeze and tell me if you'll never love someone with this perfume,  
ashes' new perfume...

Global warming, are we learning?  
We just need bit understanding,  
mama nature needs to recover,  
She doesn't need you passing over.  
Pockets full of dirty money,  
let me buy you a jet plane honey.  
Floodings , drought and acid rain,  
seem familiar oh my friend ?

Oh, tiny birds sing no more, the woods are burning,  
smell the breeze and tell me if you'll never love someone with this perfume,  
ashes' new perfume

# TRUTH TO POWER

One Republic

I could tell you I was fragile  
I could tell you I was weak  
I could write you out a letter  
To tell you anything you need  
I've seen minutes turn to hours  
Hours turn to years  
And I've seen truth turn to power  
If you could see me the way I see you  
If you could feel me the way I feel you  
You'd be a believer  
You'd be a believer  
Minutes turn to hours  
Hours turn to years  
And I've seen truth turn to power  
I could tell you I was ageless  
But I know you see the light  
I could tell you I'm immune to everything  
But that's a lie  
Dust don't turn to flowers  
Skies don't disappear  
But I've seen truth to power  
Oh, if you could see me the way I see you  
If you could feel me the way I feel you  
You'd be a believer (believer)  
You'd be a believer (believer)  
You'd be a believer (believer)  
You'd be a believer (believer)  
Hard to keep goin' on (hard to keep goin' on)  
I said it's hard to keep goin' on (hard to keep goin' on)  
It's hard to keep goin' on (hard to keep goin' on)  
If you could see me the way I see you  
If you could feel me the way I feel you  
You'd be a believer  
You'd be a believer  
You'd be a believer  
Be a believer  
Be a believer (believer)  
You'd be (be a believer)  
Minutes turn to hours  
Hours turn to years  
And I've seen truth turn to power

# RADIOACTIVE

Imagine Dragons

Whoa

I'm waking up to ash and dust

I wipe my brow and I sweat my rust

I'm breathing in the chemicals

I'm breaking in, shaping up, then checking out on the prison bus

This is it, the apocalypse

Whoa

I'm waking up, I feel it in my bones

Enough to make my systems blow

Welcome to the new age, to the new age

Welcome to the new age, to the new age

Whoa, oh, oh, oh, oh, whoa, oh, oh, oh, I'm radioactive, radioactive

Whoa, oh, oh, oh, oh, whoa, oh, oh, oh, I'm radioactive, radioactive

I raise my flags, don my clothes

It's a revolution, I suppose

We'll paint it red to fit right in

Whoa

I'm breaking in, shaping up, then checking out on the prison bus

This is it, the apocalypse

Whoa

I'm waking up, I feel it in my bones

Enough to make my systems blow

Welcome to the new age, to the new age

Welcome to the new age, to the new age

Whoa, oh, oh, oh, oh, whoa, oh, oh, oh, I'm radioactive, radioactive

Whoa, oh, oh, oh, oh, whoa, oh, oh, oh, I'm radioactive, radioactive

All systems go, the sun hasn't died

Deep in my bones, straight from inside

I'm waking up, I feel it in my bones

Enough to make my systems blow

Welcome to the new age, to the new age

Welcome to the new age, to the new age

Whoa, oh, oh, oh, oh, whoa, oh, oh, oh, I'm radioactive, radioactive

Whoa, oh, oh, oh, oh, whoa, oh, oh, oh, I'm radioactive, radioactive

# EARTH SONG

Michael Jackson

What about sunrise?  
What about rain?  
What about all the things  
that you said we were to gain...?

What about killing fields?  
Is there a time?  
What about all the things  
that you said was yours and mine...?

Did you ever stop to notice  
all the blood we've shed before?  
Did you ever stop to notice  
the crying Earth the weeping shores?

Aaaaaaaaaah Ooooooooooh  
Aaaaaaaaaah Ooooooooooh

What have we done to the world?  
Look what we've done.  
What about all the peace  
that you pledge your only son...?

What about flowering fields?  
Is there a time?  
What about all the dreams  
that you said was yours and mine...?  
Did you ever stop to notice  
all the children dead from war?  
Did you ever stop to notice  
the crying Earth the weeping shores?

Aaaaaaaaaah Ooooooooooh  
Aaaaaaaaaah Ooooooooooh

I used to dream,  
I used to glance beyond the stars.  
Now I don't know where we are,  
although I know we've drifted far

Aaaaaaaaaah Ooooooooooh  
Aaaaaaaaaah Ooooooooooh  
Aaaaaaaaaah Ooooooooooh  
Aaaaaaaaaah Ooooooooooh

Hey, what about yesterday? (What about us?)  
What about the seas? (What about us?)  
The heavens are falling down. (What about us?)  
I can't even breathe. (What about us)  
What about apathy? (What about us)  
I need you. (What about us)  
What about nature's worth? (Ooo, ooo)  
It's our planet's womb. (What about us)

What about animals? (What about it)  
We've turned kingdoms to dust. (What about us)  
What about elephants? (What about us)  
Have we lost their trust? (What about us)  
What about crying whales? (What about us)  
We're ravaging the seas. (What about us)  
What about forest trails? (Ooo, ooo)  
Burnt despite our pleas. (What about us)

What about the holy land (What about it)  
torn apart by creed? (What about us)  
What about the common man? (What about us)  
Can't we set him free? (What about us)  
What about children dying? (What about us)  
Can't you hear them cry? (What about us)  
Where did we go wrong? (Ooo, ooo)  
Someone tell me why. (What about us)

What about babies? (What about it)  
What about the days? (What about us)  
What about all their joy? (What about us)  
What about the man? (What about us)  
What about the crying man? (What about us)  
What about Abraham? (What about us)  
What about death again? (Ooo, ooo)  
Do we give a damn?
