

# TABOO

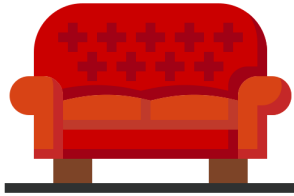

## Instructions

- Cut out all the cards.
- Divide students into 2 teams.
- Distribute all the cards facing down to the students.
- Taking turns, the player has a minute to have a look at one card secretly and describe to the rest of the team the main word without mentioning any of the other taboo words, which are related to the main one.
- If any of the taboo words is said, the turn will be lost.
- The winner team will be the one with more guessed words.
